

PRIVACY POLICY – PERSONAL DATA PROTECTION

I. Privacy policy

1. Euro-Tech Plus Sp. z o.o. entered in the register of entrepreneurs of the National Court Register maintained by the District Court for Wrocław-Fabryczna in Wrocław, IX Commercial Division of the National Court Register, under the number KRS: 0000092416, Tax Identification Number [NIP]: 6951385681, EU VAT: PL6951385681, hereinafter referred to as the "Seller", shall be responsible for the Privacy Policy, Personal Data Protection and maintenance of the eurotechplus.pl online store (hereinafter referred to as the "Store").

2. This Privacy Policy specifies the rules for the collection, protection, dissemination and use by the Seller the personal data of individuals using the Store and its Website (hereinafter referred to as the "Users").

3. The Seller shall endeavour to ensure respect for privacy and protection of information concerning personal data provided when using the Website and making online purchases and shall take any measures that are necessary for this purpose.

II. The scope of data transmitted while registering and shopping online

4. The Store operated by the Seller may be used by the User anonymously, as long as the User so requests. Doing shopping or registering to the Online Store involves providing the following personal information through the Website and other forms of communication:

- a) first name and surname,
- b) gender,
- c) date of birth (optional),
- d) e-mail address.

5. The data provided during the registration process may only be processed upon consent of the User. By providing the data necessary to complete the order the User accepts that their personal data will be stored in the Seller's database and processed by the Seller to process the order, to verify the data relating to the order and to arrange for personal receipt of the ordered products.

6. The registration to the Online Store is free of any charge and optional. The User may provide any data for the purpose of registration to the Store or placing an order for any products offered by the Store of their own free will and after making an informed choice; however, providing incomplete or incorrect information may prevent the Seller from completing the order.

III. Consent for processing the User's personal data for marketing purposes

7. The User may give separate consent for including their data in the database of the Seller for the purpose of sending marketing information relating to the Store and its offer as follows:

- a) via electronic mail - to the following e-mail address: market@eurotechplus.pl;
- b) by post – to the mailing address:

Kapitał zakładowy: 50.000 zł

Kapitał rezerwowany: 3.300.000 zł

8. The consent referred to in paragraph 7 is entirely voluntary. Such consent may be withdrawn by the User at any time through the Website, and any changes in this respect may be reported to the data administrator at: market@eurotechplus.pl or by phone: (76) 870 14 11.

IV. Disclosure of information

9. To execute a contract the Seller may disclose the personal data obtained from Users to any postal and courier service providers, payment system operators or other companies cooperating with the Store,

where such disclosure is essential to ensure the fulfilment of the obligations arising from the contract. In such cases, the volume of transferred data is limited to the required minimum.

10. If the User has given their consent, the Store may disclose personal data obtained from the User to companies cooperating with the Store in carrying out surveys of people's opinions on transactions effected in the Store. Any changes in this respect may be reported to the data administrator via e-mail at: market@eurotechplus.pl or by phone: (76) 870 14 11.

11. Moreover, the information provided by the User may be disclosed to the competent public authorities, if it is required by applicable law.

12. The Seller may present to third parties summary statistics based on the Users' data; however, the level of processing of such data and the way they are presented must prevent identification of a particular User.

V. Data security

13. In accordance with the provisions of the 27 April 2016 on the Protection of Personal Data (GDPR – General Date Protection Regulation) Users' data may be collected and processed with due care in order to protect the interests of the persons such data refer to, and in particular the data should be protected against their unauthorised disclosure.

14. In order to ensure security of messages and data related to the services provided by the Online Store, the Store shall take appropriate technological and organizational measures commensurate with the level of threat to the security of respective Services provided, in particular measures to prevent acquisition and modification of personal data transmitted over the Internet by unauthorised individuals.

15. The measures taken by the Seller may prove insufficient if the User fails observe the relevant safety principles. When using the Website the Users should respect the following principles:

- a) be sure to sign off when you've finished using the Store. Just click on the "log out" link prevent the use of your account by unauthorised persons,
- b) you may never disclose your login and password for the user account to anyone.
- c) do not use „Weak” passwords, which can be relatively easily “cracked” by third persons.

16. The Store will never ask the Users for login or password for the user account, except when entering such data for logging to the Website or when the User wishes to register for our newsletter sent to the e-mail address provided by the User.

VI. Administrator of databases of personal information

17. The administrator of personal data is Euro-Tech Plus Sp. z o.o. with its registered office in Paszowice, 97 Paszowice 59-411.

VII. The other rights of the User related to personal data

18. Any User whose data is stored in the database of the Owner has the right to request information about the content of the stored data referring to them as well as the right to request to change, block or delete the data, and the right to rectify, amend or update the data. Any changes in this respect shall be reported to the data administrator via e-mail at: market@eurotechplus.pl or by phone: (76) 870 14 11. It is possible for the User to view and edit their data, at any time, within the Website, after logging in with their login and password.

VIII. Other websites

19. As part of the Website links to other websites may appear from time to time. Such websites are independent from the Website and are not in any way supervised by the Online Store. These sites may have their own privacy policies, which you should read. The Online Store shall not be responsible for handling data and observing privacy policy of the third party sites linked to this Website.

IX. Final provisions

20. All queries or objections regarding this Privacy Policy may be sent to the e-mail address: market@eurotechplus.pl

21. This document was made on 25 May 2018 and supersedes previous privacy policy.
